Profile

I am a final-year Business Information Systems student with hands-on experience in web development, digital marketing, and event management. I have developed web applications and successfully managed social media platforms for events. As a curious and knowledge-driven individual, I am always eager to learn new technologies and improve my skills. I am a quick learner and hard-working, diligently accomplishing my tasks while maintaining excellent communication skills and a proven ability to collaborate effectively in diverse team environments. In my free time, I enjoy watching movies, singing, dancing, and traveling, which enrich my perspective and creativity.
